1) J.O./ CONSORTIUM PROJECT FOR WATER TREATMENT PLANT (WTP)

As experienced Water Treatment Plant (WTP) manufacturer, PT. TRIDASA PRAWIRA has been certified by Research and Development Center for Settlement Ministry of Public Works. We ensure that our Water Treatment Plant (WTP) Package can proceed the raw water into clean water in accordance with Indonesian Water Quality Standards from the Ministry of Health. In addition, our WTP Package has advantages compared to WTP Package produced by other manufacturers, i.e.:

- short time in installation (Erection) of WTP Unit on site
- smaller area of WTP
- possible to treat high turbidity raw water into clean water.
